

Property Class:

Villa

Property Price (in €):

€ 78,000

Location:

Papasidero

Description:

Detached house in the heart of the National Park of Pollino, immersed in the picturesque calabrian mountains, a new building, the house is located at 16Km. from Mormanno, 7 Km. from Papasidero and only 10 Km. from the highway A3. The beautiful hinterland allows you to discover new places and landscapes, you can reach the two calabrian coasts, on the Ionian Sea (about 90 min. until Sibari) and the Tyrrhenian Sea (about 40 min. until Scalea). In the immediate vicinity there is the Prehistoric "Romito Cave" dating from the Upper Palaeolithic (https://www.youtube.com/watch?v=tgr1P_6KUaE). The area is inhabited by other residents all year round, cool in summer, snowy winter, the views are charming and the house is fit to live here all year round.

The house is on two levels, surrounded by 2.900 sqm. some of its own grounds, well-arranged and complete access road, fencing and sliding gate. E 'consists of entrance porch, a spacious living room with fireplace, kitchen, bedroom and hallway with staircase leading to the first floor where you will find three bedrooms, a hallway with three balconies and a large bathroom with bath tub. Possibility to build a second bathroom on the ground floor. The house is equipped with heating implant and required only of external painting.
